

LHC Physics Discussions

ATLAS / CMS / Theory

Kerstin Borras, Wolfgang Ehrenfeld, Andreas Meyer
Klaus Mönig, Thomas Schörner, Georg Weiglein

LHC Physics Discussions

- **Topical - and hopefully rather informal - meetings at DESY**
 - LHC topics of the local groups
 - Hot topics
 - Stimulate discussions and contacts between the different groups
 - ATLAS/CMS/Theory
 - DESY/UHH/HU
- **Format**
 - ~ Once per month
 - Introductory talks to stimulate questions and discussions during the meetings
 - Typically 90 minutes total
 - Open for everybody
- **Organization**
 - Delegate organization of meetings to volunteers / topic organizer
 - Everyone is welcome to volunteer !!!

Schedule

- Typically 3rd Monday every month
 - 21 June: Top Physics
 - 26 July: ICHEP "Preview"
- 20 September: Supersymmetry
- 25 October: W/Z
- 15 November: Top
- 13 December:
