## Cosmic reionization and the LOFAR project

*Wednesday 10 November 2010 10:00 (30 minutes)*

In this talk I will present theoretical models of the cosmic reionization process and discuss ongoing activities within the LOFAR Epoch of Reionization Working Group.

**Primary author:** Dr CIARDI, Benedetta (Max Planck Institute for Astrophysics)

**Presenter:** Dr CIARDI, Benedetta (Max Planck Institute for Astrophysics)

**Session Classification:** Session 1

**Track Classification:** Reionization
