

# Cosmic Radiation Fields - Sources in the early Universe

## Thursday 11 November 2010

### Session 7 - Auditorium (Building 05) (14:00 - 15:20)

time	[id] title	presenter
14:00	[40] Galaxy Evolution and Background Radiations in the Infrared	Prof. FRANCESCHINI, Alberto
14:30	[30] Galaxy Build-up and Evolution at $z \geq 7$ : Early results from ultra-deep WFC3/IR observations over the HUDF and GOODS fields	Prof. BOUWENS, Rychard Bouwens
15:00	[21] Understanding the Cosmic Infrared Background	Dr FERNANDEZ, Elizabeth
