

Gamma Group Meeting

News

Introduction Florian Fischer (PD MST)

Status talk Julian Schliwinski (PhD ULTRASAT)

‘Social’ check-out in breakout rooms

News

- Gamma group get-together in December
 - At institute in Zeuthen
 - Regular group meeting first, then food and drinks together (I imagine)
 - Goodbye to Johannes and Ralf
 - Volunteers to organise it together with me please drop me an Email
- New office occupation rules: some offices are now declared '2G' (more persons who are either recovered or fully vaccinated)
 - Voluntary, you can always keep using the previous set of rules for the other rooms
 - If you want to use the '2G' rooms, send me an Email with a document about your immunisation status please (just for my info)
- <https://confluence.desy.de/display/DESYAstroparticle/Gamma+Group+Office+Roulette>
- Sonal has taken over the Gamma part of our Journal Club, please support her and volunteer to present papers!
