

# Web conversation space in TTC2022

We have a web-based conversation space using the platform  
'wonder' in TTC2022.

LOC would encourage all the participants to use this space  
when you would like to discuss with a speaker or a participant.

This space is also used for the social event in the last day.

## **Open discussion**

25<sup>th</sup> / 26<sup>th</sup> Jan 2022

17:00 Japan/16:00 Peking/9:00 Hamburg

3:00 Newport News/2:00 Chicago/24:00 Vancouver

The time slot after each day session for 1 hour is allocated for the open discussion. We know that the time difference makes this difficult, but we hope that as many speakers as possible would join the space.

## **Social event**

16:20 Japan/15:20 Peking/8:20 Hamburg
