

# Resummation, Evolution, Factorization 2022

## Friday 4 November 2022

### TMD factorization: TMD factorization (15:10 - 15:50)

-Conveners: Jelena Mijuskovic

| time  | [id] title                                                              | presenter                   |
|-------|-------------------------------------------------------------------------|-----------------------------|
| 15:10 | [16] Transverse momentum measurements with jets                         | WAALEWIJN, Wouter           |
| 15:30 | [56] Multijet and $Z_j$ azimuthal correlations - factorization breaking | ESTEVEZ BANOS, Luis Ignacio |
