- Base services
- Discussion of low-hanging fruits? Storage4PUNCH prototype? Reminder last meeting: “TA2: Discussion on “low-hanging fruits” – e.g. work group server-like set ups to be used by all PUNCHlers; Jupyter hubs; to be extended via Compute4PUNCH.  
→ how can reporting / documentation for this work? ”  
→ publish on ZENODO and make propaganda on web, Twitter?  
→ Matthias as Twitter contact?
- Zenodo:
  - Post every single talk → no, rather high-level stuff
  - Post PUNCHLunch slides / recordings? → rather not, raises the bar for the speaker?
  - Post DPG talks etc.
- PUNCH4NFDI project manager  
→ second round of advertisement round running

Note: slides = minutes, all in MB category in INDICO: <https://indico.desy.de/category/889/>

# News from committees etc.

## Sektionen

- CI (Christoph, Harry, Kilian): next meeting coming up
- Legal & Ethical (Andreas, ...): currently zero response
- Metadata (Stefan, Harry): explosion of activities – many working groups discussing sub-aspects of metadata (more than 6 groups, typically 6-7 consortia represented)
  - ➔ list of groups in next MB meeting
- Education (Frank, ...)

## Task forces

- Monitoring (Thomas)
  - ➔ first quarterly report in PUNCH coming up
- Tools (Kilian) ➔ backup person for Kilian would be highly appreciated!

## Kreise

- Sprecher
- Finanz
- Verwaltung (topc last time: governance) ➔ it turns out that the template governance displayed in the meeting follows very much the PUNCH example.
- Kommunikation ➔ several todo items (e.g. Wikipedia article etc.)

# News from TAs? (LAST WEEK)

TA1: Funding issues, first quarterly report coming up (material will be distributed early March)

TA2: Discussion on “low-hanging fruits” – e.g. work group server-like set ups to be used by all PUNCHlers; Jupyter hubs; to be extended via Compute4PUNCH.

→ how can reporting / documentation for this work?

TA3: work flow meeting and statistics tools meeting (astro projects, exchange with HEP) took place

TA4:

TA5: Issue of WP lead under discussion – looking for local replacements of 2 WP leads. Upcoming TA 5 workshop

TA6: Market place: Proposal for communication tool for various customers; group structure for AAI under development; ...

TA7: Started to document plans and progress (e.g. new persons starting 1 February / 1 March in Bonn; other hiring processes ongoing); work started on low level; orga meeting planned for mid-February. Others: joint colloquium; RDM in physics studies workshop; DPG curricula workshop, ...

Conclusion: The MB meeting is focused on information dissemination (from NFDI, other consortia, with some information on news from TAs. Need separate concrete working meetings between TAs / WPs with focus on dedicated topics → responsibility of TA leads
