

Quantum Computing meeting

04. April 2022

Annabel Kropf
Hamburg

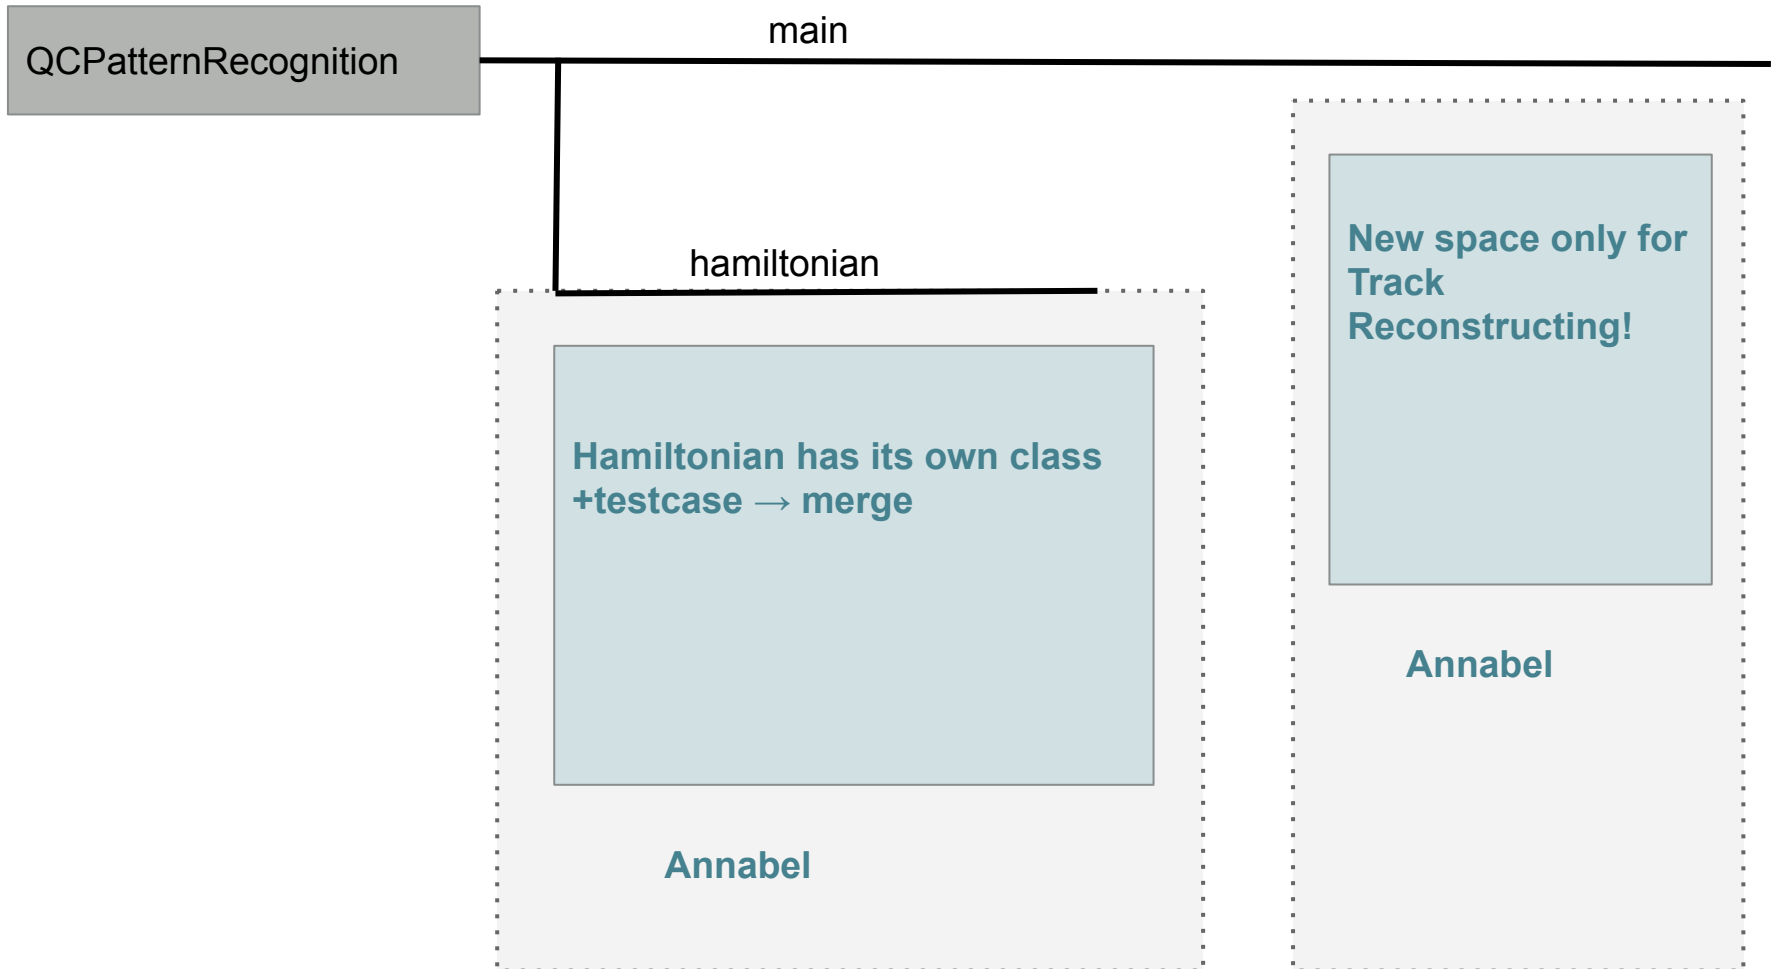

News

- Thanks @ Tobias for the email: very helpful!
 - dpg went well!
 - Summer school: I will be attending IBM's summer school in all of July!
-

- Consistent style (docstring+code): pep8?
- We are going through everything again
 - making big classes smaller
 - introducing new options in yaml file
 - Stress testing elements
- New test format with armada of test cases
- If bug/something fishy detected by anyone: RaiseError github → will not be lost

Github Repository Status 21.03.2022

Thank you
