

# Unfolding Meeting Introduction

**Gero Flucke (DESY)**

- Who writes minutes? (Thanks to Thomas who did last time.)
- Introductory round...
- RooUnfold is on DESY SVN folder now:
  - Access details see  
[https://www.wiki.terascale.de/index.php/Unfolding\\_Framework\\_Project#Working\\_with\\_the\\_SVN\\_repository](https://www.wiki.terascale.de/index.php/Unfolding_Framework_Project#Working_with_the_SVN_repository)
  - Discuss SVN structure when integrating or interfacing other algorithms.
- Presentations by G. Zech and G. D'Agostini during the Alliance Workshop/School "Advanced Topics in Statistics" in Göttingen, see  
<http://indico.desy.de/conferenceDisplay.py?confId=3086>

# Unfolding Meeting Introduction

**Gero Flucke (DESY)**

- Today:
  - Algorithm Test proposal
  - Presentation of plans
  - Discussion of next steps
