Xplet reconstruction efficiency and fake rate plots - Update

xi = 7 for e-laser phase0
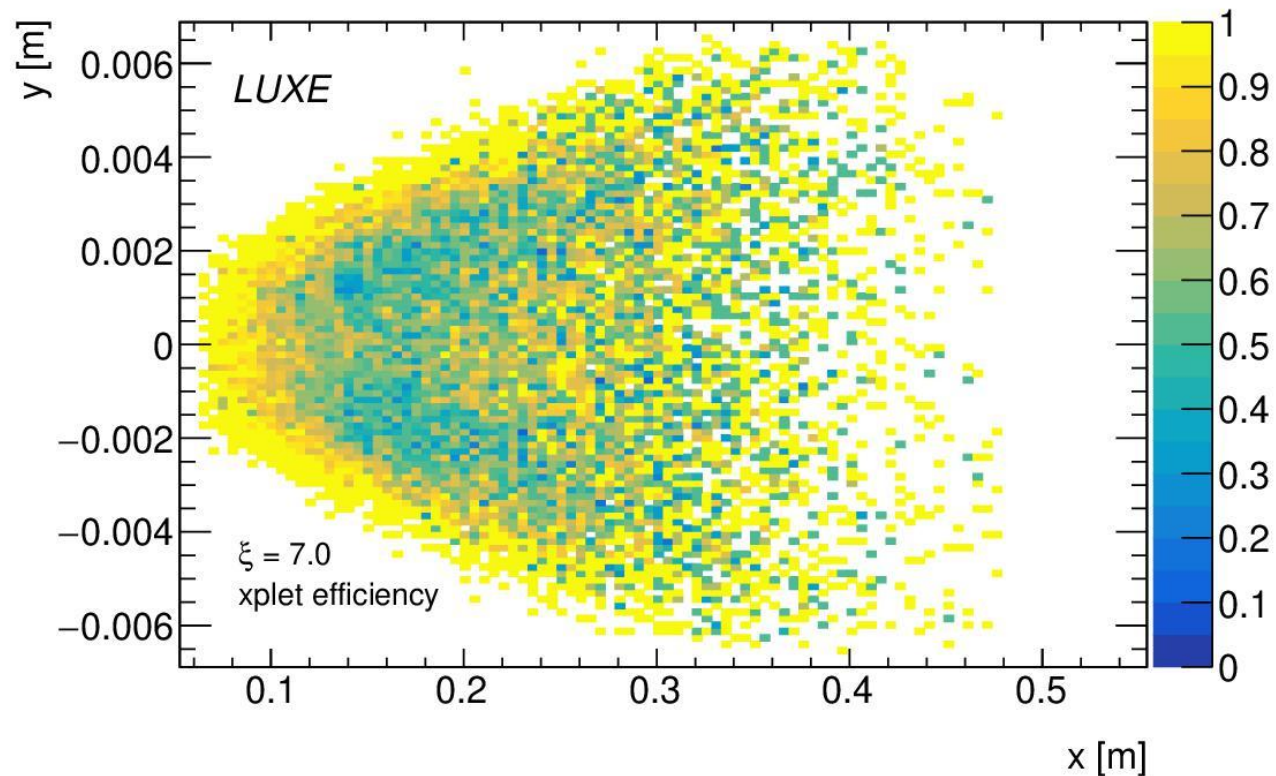

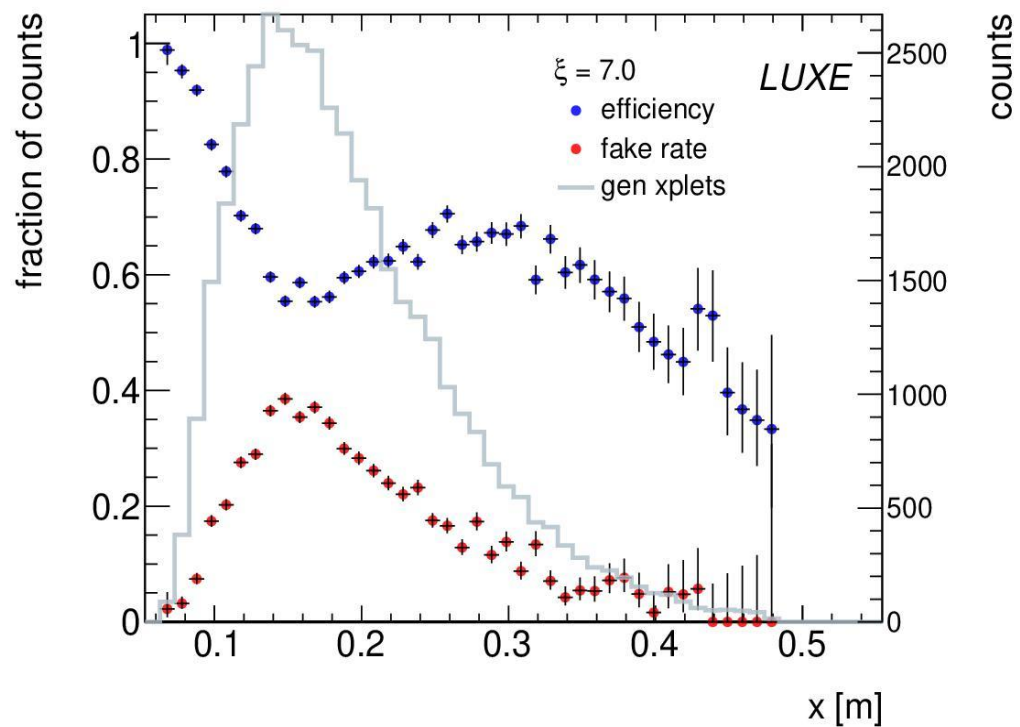

Spataro David
Hamburg, 18.08.2022

DESY.

Phase0, xi=7

efficiency, fake rate on xplets

- **xplets:** series of connectable hits from consecutive detector layers
- **efficiency:** matched / generated
- **fake rate:** fake / reconstructed

Phase0, xi=7

efficiency, fake rate on xplets

- **xplets:** series of connectable hits from consecutive detector layers
- **efficiency:** matched / generated
- **fake rate:** fake / reconstructed
