## CUI: ADVANCED IMAGING OF MATTER

# ANNUAL MEETING 2022

We are happy to invite you to the Annual Meeting of our Cluster of Excellence „CUI: Advanced Imaging of Matter“. Once a year, all members come together for three days to exchange ideas and get to know each other personally. The Annual Meeting offers space for scientific exchange and discussion of future perspectives. Don't forget that your participation is of crucial importance for fostering the cooperation within our cluster.

We would like to share inspiring discussions with you in Hohwacht (Baltic Sea) from 28th to 30th September 2022.

### Useful information

- **Transportation** will be organized by busses departing from Campus Bahrenfeld and a central starting point in Hamburg
- If you are not employed by Universität Hamburg, please remember to hand in the **Work-related travel application form** at your institution. For employees employed by Universität Hamburg, the Cluster Office will take care of this
- CUI invites you for **breakfast, lunch** and **dinner**. Mineral water will be included. Please be aware, that you will need to pay for yourself for other drinks with your meals. You will also need to pay for yourself if you order food or drinks in addition, e.g. coffee in the evening. During meetings, mineral water and juices are free. There will also be coffee/tea and snacks/cakes during smaller breaks.

- **Childcare** will be available upon request. You will find more information in the registration.

### Programme

Like every year, the agenda will be announced shortly before the meeting, but in general you can expect the following: The Annual Meeting will start with an opening plenary session on Wednesday around noon, followed by talks on research highlights of CUI. There will also be poster sessions for you to present your work. Focus on Thursday will be a farewell symposium for R.J. Dwayne Miller. There will also be time for discussions on your research and discussions on supporting structures, e.g. outreach and diversity. There will be additional time for such discussions on Friday morning, before a plenary wrap-up meeting at noon.

If you have any special needs, questions or concerns beyond what is discussed in this flyer, feel free to reach out to us directly - either to our diversity officer or through [cui.office@uni-hamburg.de](mailto:cui.office@uni-hamburg.de).

## Registrations are open until 10th of August 2022:

Please register via the [event page](#) by 10th of August 2022.
