

## Status of FOFB upgrade at SOLEIL

*Wednesday 7 December 2022 14:45 (15 minutes)*

The upgrade of SOLEIL Fast Orbit Feedback is scheduled for 2023. For this project, a new platform based on MTCA is under development, with dedicated FPGA firmware, a custom RTM and a control software stack. To speed up development, we decided to use DESY FWK and ChimeraTK. We will review and comment the status of the several components of this platform.
