

LHC-D workshop 2007: QCD and electroweak physics

Friday 6 July 2007

Electroweak corrections - Main auditorium (09:00 - 10:15)

time	[id] title	presenter
09:00	[14] EW corrections to hadronic production of gauge bosons at large transverse momentum	Dr KULESZA, Anna
09:25	[15] Weak effects in b-jet production at Hadron Colliders	Mr SCHARF, Andreas
09:50	[18] Electroweak corrections to W+jet production at the LHC	Mr KASPRZIK, Tobias
