# Why Are We Here?

ErUM-Data:

BMBF funding frame for digitization in ErUM sciences (research at accelerators and telescopes)

10 funded projects

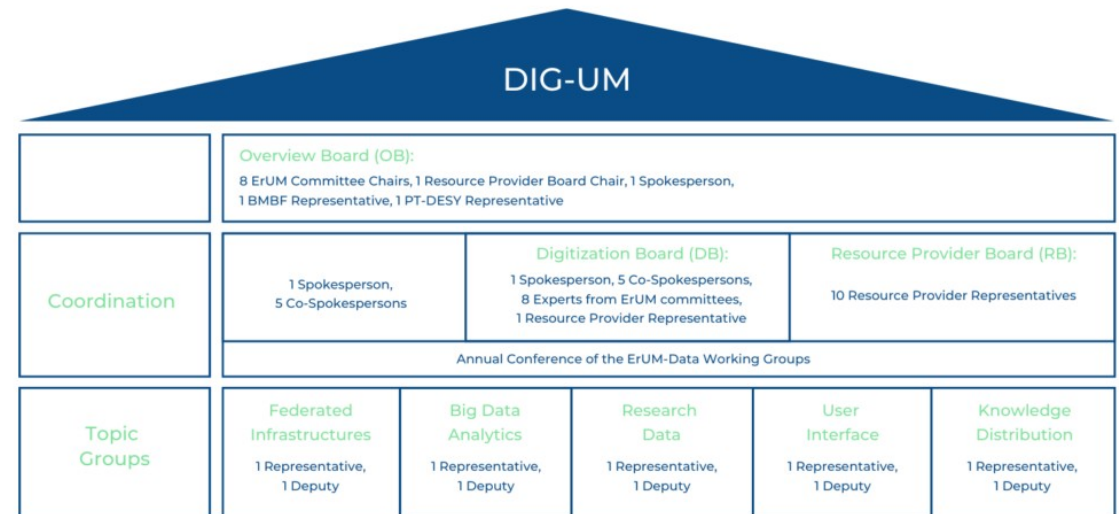

ErUM communities represented by:  
KAT, KET, KfB, KFN, KFSI, KFS, KHuK, RDS

Self-organization of ErUM scientists working on digitization:

<https://erumdatahub.de/en/dig-um/>  
<https://wiki.erumdatahub.de>

Funded by BMBF for networking and transfer  
<https://erumdatahub.de>

# Big Data Analytics Topic Group

---

- **Everybody in ErUM disciplines who is interested in BDA**
- **Mailing list: [erum-data-big-data-analytics@lists.rwth-aachen.de](mailto:erum-data-big-data-analytics@lists.rwth-aachen.de)**  
Subscribe at <https://lists.rwth-aachen.de/postorius/lists/erum-data-big-data-analytics.lists.rwth-aachen.de/>
- **Chair/Deputy:**
  -   Gregor Kasieczka (KET)  
Andrea Thorn (KFS)
  - 
  - Thomas Kuhr (KET)  
Jan Steinheimer (KHuK)  
- **Organization team:**  
Jochen Weller (RDS), Christian Stieghorst (KFN),  
Michael Bussmann (KfB), Judith Reindl (KFSI),  
Jonas Glombitza (KAT), Andrea Thorn (KFS)
- **Propose to extend organization team by speakers of funded projects**

# BDA Connection Workshop

---

- Get to know each other and our projects
- Identify areas where we can exploit synergies
- Discuss how we want to organize ourselves
  - Independent of funding
  - To prepare for next ErUM-Data call
  - To prepare other funding applications
- Let's have an open exchange of ideas
