

# FH Retreat Follow-up

## Wednesday 14 December 2022

### **Task force reports: Seminar programme, flavour experiments, feebly interacting particles, third-party funding - Auditorium (14:15 - 15:15)**

| time  | [id] title                                  | presenter                                |
|-------|---------------------------------------------|------------------------------------------|
| 14:15 | [5] Seminar TF (33629741)                   | MEYER, Andreas                           |
| 14:30 | [6] Flavour Experiment (88305407)           | ROSTOMYAN, Ami<br>BISHARA, Fady Adibsamy |
| 14:45 | [7] Feebly Interactiog Particles (26070890) | MELONI, Federico                         |
| 15:00 | [8] Third Party Funding (85208090)          | LIPKA, Katerina                          |

### **Task force reports: Scientific computing, sustainability, detector R&D, future colliders - Auditorium (16:00 - 17:00)**

| time  | [id] title                         | presenter                    |
|-------|------------------------------------|------------------------------|
| 16:00 | [9] Scientific Computing (3318507) | GAEDE, Frank                 |
| 16:15 | [10] Sustainability (47334949)     | GILLWALD, Nils Ernst Klaus   |
| 16:30 | [11] Detector R&D (19856796)       | GREGOR, Ingrid-Maria         |
| 16:45 | [12] Future Colliders (28932766)   | SCHWANENBERGER,<br>Christian |
