

# European XFEL Users' Meeting

**23–27 January 2023**

DESY, Hamburg and European XFEL, Schenefeld, Germany

The European XFEL Users' Meeting is an annual opportunity to strengthen the interaction between European XFEL and the scientific user community. The scope of this meeting includes:

- Status of European XFEL and future directions
- Scientific highlights from European XFEL instruments
- Instrument design developments & commissioning
- Current developments in the field of XFEL facilities

## Programme

### ■ 23, 24, and 27 January 2023

- Satellite Workshops

### ■ 25 January 2023

- Facility overview and future
- Science highlights
- Poster session

### ■ 26 January 2023

- Joint session on soft X-ray FEL scientific applications
- Poster session

Plenary and poster sessions will be held at DESY, Bahrenfeld Campus. Exact locations for Satellite meetings will be announced closer to the event.

**DESY Photon Science Users' Meeting 2023: 23–27 January 2023**

## European XFEL Young Scientist Award

European XFEL is inviting nominations for this award, recognising outstanding contributions to research at European XFEL by researchers in the early stages of their career.

Nominations will be selected by the User Organisation Executive Committee. The award includes an invited talk at the European XFEL Users' Meeting and a monetary prize. Nominations striving to showcase the work of female researchers and nominees with disabilities are encouraged.

Deadline for nominations: 16 December 2022

For further information, please refer to [www.xfel.eu/2023um](http://www.xfel.eu/2023um)

## Scientific programme committee:

R. Bean, A. Eschenlohr (UOEC/U Duisburg-Essen), R. Feidenhans'l, M. Izquierdo, A. Madsen, M. Meyer, C. Milne, S. Molodtsov, S. Pascarelli, A. Scherz, T. Tschentscher, U. Zastra

## Local organising committee:

K. Baranasic, S. Bertini, G. Heessel, G. Quondam
