WELCOME TO GERMANY!
National Academic Contact Point Ukraine
Dear Ukrainian students and researchers, we would like to offer you a first orientation in Germany and especially in the German higher education and research system.

WELCOME TO GERMANY!

Dear Ukrainian students and researchers,
with this website we would like to offer you a first-orientation in Germany and especially in the German higher education and research system. You will also find an overview of different help offers in academia. The site does not replace individual counselling. We will be happy to help you under Contact, but you are also welcome to contact the International Offices of the German higher education institutions.

The screenshot shows the DAAD website's 'Support Offers' page. At the top, there is a navigation bar with links for 'Accommodation and Residency in Germany', 'Studying in Germany', 'Research and Teaching in Germany', 'Support Offers' (which is highlighted), and 'About Us'. Below this is a secondary navigation bar with 'Home', 'Support Offers', and 'Overview of Existing Support Offers'. The main content area features a sidebar with links to 'Overview of Existing Support Offers', 'DAAD Scholarship Database', and 'Downloads and Publications'. The main heading is 'Overview of Existing Support Offers', followed by a photograph of five people holding hands in a circle on a grassy field. Below the photo is a paragraph of text: 'On this page, we are providing offers of assistance from our partners as well as German and international institutes of higher education.' This is followed by a disclaimer: 'This page is continuously updated. You are very welcome to share it! The DAAD is not responsible for the content of the linked pages.' There are three expandable menu items: 'Study', 'Research', and 'General offers and information'. At the bottom right, there is a 'SHARE:' button with icons for Facebook, Twitter, and LinkedIn.

Scholarship Database

For your long-term stay in Germany, you can find information on DAAD funding opportunities for students, graduates, doctoral candidates and university lecturers as well as on offers from other selected funding organisations in the DAAD scholarship database.

Important note for students and researchers from Ukraine:

DAAD scholarship takes time. Most application deadlines for scholarships are between summer and fall. As a rule, funding does not begin until the winter semester of the following year.
