

Industry Satellite Meeting 2023

Thursday 26 January 2023 - Thursday 26 January 2023

DESY Campus

Scientific Programme

Welcome

How will the HI-ACTS platform develop its innovative power? Dr. Arik Willner, DESY

How will a platform like HI-ACTS simplify the use of accelerators? Dr. Sabine Brock, DESY

The technological challenges to be addressed facing the future– the technology labs

Smart accelerators - Dr. Björn Wolf, HZDR

The future is compact - Dr. Andreas Maier, DESY

Physics informed AI - Dr. Christian Schroer, DESY

When participating the platform, what do I get out of my engagement in HI-ACTS? Dr. Torsten Mans, Trumpf

How can I connect to the project and when will it start? Dr. Arik Willner, DESY

Networking and get2gether

Moderation: Dr. Nadja Kölpin, DESY
