

RÅC International Summer School 2023

Friday 25 August 2023

Techniques for Magnetic and str. correlated Materials (08:30 - 10:30)

time	[id] title	presenter
08:30	[21] Soft X-ray Spectroscopy of Quantum Materials	ROSSNAGEL, Kai
09:30	[22] μ -PES	GREGORATTI, Luca

Techniques for Magnetic and str. correlated Materials (11:00 - 12:00)

time	[id] title	presenter
11:00	[23] Sustainable science with inelastic neutron scattering	BÖHM, Martin

Techniques for Magnetic and str. correlated Materials (15:30 - 16:30)

time	[id] title	presenter
15:30	[24] Neutron Spin-Echo Spectroscopy	FOUQUET, Peter
