

RÅC International Summer School 2023

Saturday 26 August 2023

Application in engineering Materials (08:30 - 10:30)

time	[id] title	presenter
08:30	[25] Materials for engineering	HEDSTRÖM, Peter
09:30	[26] Magnetic Neutron Scattering	LAKE, Bella

Application in engineering Materials (11:00 - 12:00)

time	[id] title	presenter
11:00	[27] X-ray diffraction microscopy applied to semiconductor materials and devices	RICHTER, Carsten

Application in engineering Materials (15:00 - 16:00)

time	[id] title	presenter
15:00	[28] Water Science	SCHNELL, Melanie

Application in engineering Materials (17:30 - 18:30)

time	[id] title	presenter
17:30	[29] Time to act!	JACOB, Daniela
