A few quick items

- A big thanks go to **Andy** for shepherding the group recently.
- My thanks go to **Majid** for agreeing to co-lead the group.
- **Indico category** for all WG3 meetings (with calendar sync.)

    https://indico.desy.de/category/1009/

- **Minutes** for meetings:

    Google doc edited during the meeting; tidy up, "freeze" and make public.

- Keep this slot for **regular meetings**?

    (second Monday of each month, at 10:00 CET/CEST)

- Looking to have some easy-to-edit **public web** presence.

    Describe the remit of WG3, who's involved, our activity,
    our output, etc.
