1ˢᵗ DESY Ukraine Winter School

HELMHOLTZ

Stefan Ohm, Olaf Behnke, Frank Lehner, Martin Sandhop for the organising team

DESY

Seems like such a long time ago that you started...

Overview

- More than 100 applications
- More than 50 projects offered initially
- Selection and matching: 17+5 on-site projects, 2+2 remote projects

- From theory to instrumentation, from smallest to largest scales
- Lecture program covering all research areas at DESY + XFEL
- Accompanying soft skill and social program
- Two days of very interesting project presentations

Thanks to Lia, Annette, Olena & Sonja

Tours and social events

(…just a small selection)

Thanks for filling the questionnaire ☺

What did you like most about the program?

cool supervisor

lecture

trip **project**

incredible hamburg philharmonic **supervisor**

tour

extraordinary experience

How did you like the guided tours?

interesting information

accelerator tour

incredibly interesting tour

so many events

exciting experience

incredible aparatur
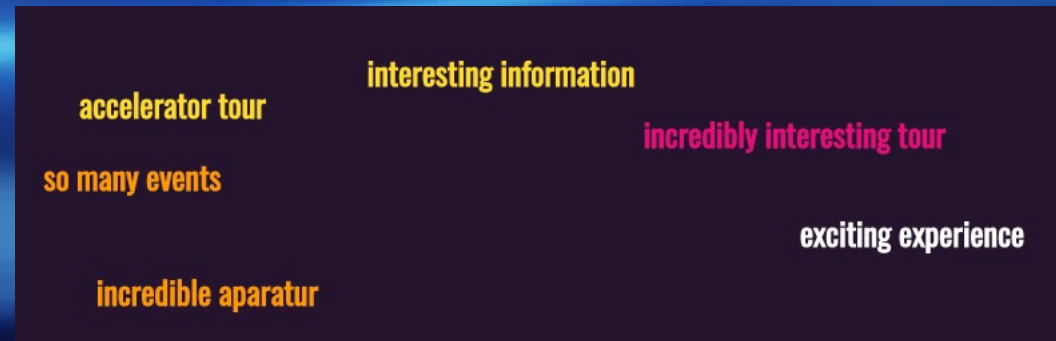

What did you not like at all?

- Nothing
- Deutsche Bahn (we feel you ☺)
- Weather
- No tour to Berlin ☹
- Some specifics about the program

Please rate the balance between lectures and work in the working groups
Answered: 13

A. too many lectures and not enough time for the work: 0 (0.00%)

B. too few lectures and too much work in the groups: 0 (0.00%)

C. quite right: 13 (100.00%)

How did the administration of the programme appear to you?
Answered: 13 Please rate the administrative procedures excluding the housing (questions related to housing come below).

A. smooth and easy with the information provided: 11 (84.62%)

B. a bit tricky, i needed help: 1 (7.69%)

C. ok, i had to read up but all information was there: 1 (7.69%)
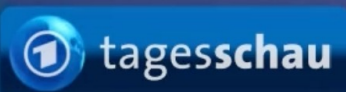

D. difficult, i needed a lot of help: 0 (0.00%)

Sechs Wochen Forschungsurlaub

Physikstudentinnen aus der Ukraine sind für anderthalb Monate am Desy in Zeuthen - es ist nicht nur eine Pause vom Krieg, sondern auch eine Rückkehr zum aktiven Studium

Die Ukraine spielt leider in der Wissenschaft nicht ganz vorn mit. Deshalb bin ich froh, einmal echte Spitzenforschung live miterleben zu können.

DESY lädt ukrainische Wissenschaftler

Thanks to:

- <u>Administration & support</u>: Sabine Berger, Britta Petersen, Sarah Seibt, Pavlo Plotko
- <u>Hostel</u>: Marion Salmen
- <u>International Office</u>: Xiaoxiao Li and colleagues

- Supervisors, lecturers, group secretariats, tour guides

- AND TO YOU, WINTER STUDENTS
  - We have learned so much from you

THANK YOU GUYS

YOU ROCK !!!

1st DESY Ukraine Winter School

... the first of hopefully many

in Kyjiw

in Hamburg

We are here, continue our support,
& hope to see you back here soon
