

New Perspectives in Conformal Field Theorie and Gravity

Friday 29 September 2023

Plenary Sessions Friday - Main Auditorium (09:00 - 13:00)

-Conveners: Martin Ammon & Elli Pomoni

time	[id] title	presenter
09:00	[321] The statistical interpretation of semi-classical gravity	DE BOER, J.
09:40	[330] A tensor model for chaotic CFT	SONNER, J.
10:20	[331] Generalized Black Hole Entropy as von Neumann Entropy	LEUTHEUSSER, S.
11:00	Coffee break	
11:30	[332] New perspectives on QFT transport	HELLER, M.
12:10	[333] Complexity Equals (Almost) Anything	MYERS, R.
