

New Perspectives in Conformal Field Theorie and Gravity

Wednesday 27 September 2023

Parallel Session Wednesday: Gravitational waves/phase transitions session - SR 2 (16:00 - 17:30)

-Conveners: Laura Sagunski

time	[id] title	presenter
16:00	[308] On Particle Production from Phase Transition Bubbles	MANSOUR, Henda
16:20	[273] Induced gravitational waves and baryon asymmetry fluctuations from primordial black hole formation	REY, Julian
16:40	[341] The warm inflation scalar power spectrum	PEREZ, Alejandro
17:00	[258] Inflection point inflation in SuperGravity	ZHAO, Wenbin
17:20	[342] Informal discussion session
