

New Perspectives in Conformal Field Theorie and Gravity

Thursday 28 September 2023

Parallel Session Thursday: Phenomenology I - Auditorium (14:00 - 15:30)

| time | [id] title | presenter |
|-------|--|-------------------|
| 14:00 | [280] Analytic continuation of Greens' functions using neural networks | THURN, Yanick |
| 14:22 | [268] Soft photon emission at the LHC and LBK theorem | BALSACH, Roger |
| 14:44 | [263] Efficient computation of Hankel transforms based on Levin's method | GROCHOLSKI, Oskar |
| 15:06 | [262] Entanglement entropy and proton's structure | KUTAK, Krzysztof |
