

# New Perspectives in Conformal Field Theorie and Gravity

## Thursday 28 September 2023

### Parallel Session Thursday: Dark Matter Session - SR 2 (16:00 - 17:30)

-Conveners: Bibhushan Shakya

time	[id] title	presenter
16:00	[255] Assessing the Role of Finite Temperature Corrections in Dark Matter Freeze-In	COPELLO, Emanuele
16:20	[316] Gravitational Axiverse Spectroscopy: Seeing the forest for the Axions	PUTTI, Margherita
16:40	[310] Dark Matter Phenomenology in $Z^2$ broken Two Higgs Doublet Model with Complex Singlet Extension	ZIEGLER, Julia
17:00	[345] Informal discussion session
