

# EuroPLEx Final Conference

Humboldt-Universität zu Berlin  
September 11–15, 2023

## Programme

### Mon, Sep 11

**Registration** (*after lunch*)

Lattice as a tool to probe theoretical scenarios

Challenges in phenomenology from the lattice

**Reception**

### Tue, Sep 12

Challenges in phenomenology from the lattice

*Lunch break*

Challenges in phenomenology from the lattice

Discussion & Round Table

### Wed, Sep 13

QCD under extreme conditions

*Free afternoon*

**Conference Dinner**

### Thu, Sep 14

Machine Learning and LQCD

*Lunch break*

Machine Learning and LQCD

Poster Session

### Fri, Sep 15

Algorithms

Final Discussion

*Lunch break*

**Goodbye!**
