

To Daniela Harigel - IPP - ipp-support@desy.de

Please note that the training must be approved by your group leader, as these trainings are usually multiday and costly. Registration for a training course is binding. Please register only if you have no other obligations on the training date.

Binding registration for the training for people switching to NXTC

Name: _____

User-ID: _____

Group: _____

Phone: _____

E-Mail: _____

Cost-Centre: _____

I bindingly register for the NXTC change-over training, which is

held in Week 37/ Year 2023, (Date: 11.-15.09.2023)

Working Methods:

☐ I mainly work as a designer.

☐ I mainly work as an engineer / technical designer

☐ I use CAD mainly as a consumer of CAD data (e. g. for approving).

☐ I use CAD mainly in production (incl. CAM).

This registration is binding. If we cannot allocate your nonattendance otherwise, we have to charge your cost center with the full participation fee.

Date, Signature (participant)

Date, Signature (group leader)
