

PaNOSC.eu update – Sophie, Nicoletta + Andy

from project website to long-term PaN community website ...

- Discussed updates with Andy, Nicoletta and Sophie:
 - Tune high level description to reflect the shift ✓
 - More inclusive: all ExPaNDS, LEAPS and LENS facilities added ✓
 - Adding ExPaNDS input: training catalogue ✓, videos and use cases ⌚
 - Moving project-related content under “PaNOSC project” ✓
 - Events calendar is now curated: have a look <https://www.panosc.eu/events-calendar/>
- Will be announced once panosc.eu 2.0 is ready (within the next weeks)
- <https://panosc.eu> is linked from <https://science-clusters.eu> and will be curated in the frame of OSCARS
