Various updates

Paul Millar

WG3 lead

Some quick updates (CB-related)

- Reminder: we're now “only” waiting for an agreement on the Acceptable Use Policy (AUP).
- The HIFIS collaborative tools proposal was due to be discussed at the July CB meeting.
 - Unfortunately, this meeting was cancelled.
- Next CB meeting is in September.

Some quick updates (RDB meeting 2023-06-29)

- 2024-TECH-01-01 update (details on separate mailing list)
- LEAPS future (medium-to-long term) **funding strategy**.
 - RDB is seeking feedback (from the WGs) on a document by **2023-08-18**.
 - General feedback welcome but recommend focusing on the technical roadmap.
 - **Proposal** create a mailing list, those interested in contributing join that mailing list and we share our thoughts and build a consensus response.
- Presentation by RI.Logistica
 - Slides available for those interested.
- Status and continuation of DL
- Preliminary agenda for next plenary meeting

Purpose

- Saving tax-payers money
- Increasing efficiency
- Creating standards

Vision

- Research Infrastructures in Europe want to create a European Association for logistics services and networking

Goals

- Establishing a joint face towards authorities and suppliers:
- Attacking the challenges through all RI life cycle phases
 - Creating joint and consignment stock for spare parts and consumables
 - Creating standardised, harmonised, digitalised forms used by RIs that users only need to fill in one time per shipment
 - Simplified HS Code for Samples
