

PETRA III Workshop: Nuclear Resonant and Inelastic X-Ray Scattering

Tuesday 11 September 2007

Parallel Session continued: Inelastic X-Ray Scattering - 25b, room 109 (14:30 - 15:30)

time	[id] title	presenter
14:30	[15] Applications of IXS for studying properties of geo-materials	WILKE, Max
15:00	[16] Electronic Excitations: First Principles Modeling	SOININEN, Aleksi
