

PETRA III Workshop: Nuclear Resonant and Inelastic X-Ray Scattering

Tuesday 11 September 2007

Parallel Session continued: Inelastic X-Ray Scattering - 25b, room 109 (13:00 - 14:00)

time	[id] title	presenter
13:00	[11] Core-shell excitations studied by non-resonant inelastic x-ray scattering	STERNEMANN, Christian
13:30	[12] Resonant inelastic x-ray scattering: a new probe for many-body effects in correlated electron systems	GECK, Jochen
