

PETRA III Workshop: Nuclear Resonant and Inelastic X-Ray Scattering

Tuesday 11 September 2007

Parallel Session continued: Nuclear Resonant Scattering - 25f, 456 (13:00 - 14:00)

time	[id] title	presenter
13:00	[21] High pressure studies of strongly correlated systems using nuclear resonance scattering	ABD-ELMEGUID, Mohsen
13:30	[22] Geometrical Constraints in Exchange Biased and Superconducting Thin Films	EISENMENGER, Johannes
