

# PETRA III Workshop: Nuclear Resonant and Inelastic X-Ray Scattering

## Tuesday 11 September 2007

**Parallel Session continued: Nuclear Resonant Scattering - 25f, room 456 (14:30 - 15:30)**

time	[id] title	presenter
14:30	[23] Metal Centers in Biology	BILL, Eckard
15:00	[24] Monomolecular Layers from Transition Metal Complexes: Characterisation and Applications in Catalysis and Molecular Electronics	TUCZEK, Felix
