ROADMAP SciCat Technical aka SCT

Each demonstrator beamline presents itself, covering

- Experience with SciCat
- status migration
- Where are problems?

The discussion shall head towards stability and usefulness of SciCat. Also a wishlist of features shall be generated out of the discussions.

Order of beamline contact persons

1. P08: Leiter Florian Bertram, Chen Shen
2. P05: Jörg Hammel
3. FLASH: Christopher Passow (Autor von pyAPI=Python API zum ingestieren von FLASH Daten?)

Do we need someone for the frontend?
