

Joint ECFA-NuPECC-APPEC Activity Workshop "Synergies between the EIC and the LHC"

Thursday 14 December 2023

Proton and nuclear PDFs - Seminar Room 2, Building 2a, DESY, Hamburg (16:45 - 18:50)

time	[id] title	presenter
16:45	[37] Towards the evolution of the Parton Distribution Functions to 1% accuracy	FALCIONI, Giulio
17:10	[45] MSHT20aN3LO - Approximate N3LO PDFs and theoretical uncertainties	CRIDGE, Thomas
17:35	[40] Approximate N3LO Parton Distributions with the NNPDF framework	MAGNI, Giacomo
18:00	[35] The impact of LHC neutrino-ion collisions in PDF determination	MÄKELÄ, Toni
18:25	[58] R&D studies and innovative technologies for the ePIC detector at EIC	DALLA TORRE, Silvia
