

Group Meeting of COST Action COSMIC WISPerS (CA21106) - Bulletin

1st -2nd February 2024

The **Group Meeting of COST Action COSMIC WISPerS** will take place from **February 1st to 2nd 2024** at DESY, Hamburg. The objective of the meeting is to promote a discussion among the different communities involved in the project, with the immediate aim of reviewing the present experimental and theoretical status of WISP searches and plan further directions of investigation. A **Technology Forum** on technologies for WISP searches will take place on the afternoon of 2nd February. The meeting consists of a mix of plenary sessions and parallel sessions of the Working groups (Thursday afternoon).

	Thursday, February 1st	Friday, February 2nd
Morning	Plenary: WG Highlights	Plenary: WISP Searches @ Labs, WG Highlights
	Lunch break	Lunch break

WLAN Guest Networks

For guests there are different possibilities to obtain a wireless network connection at DESY.

WLAN eduroam

For guests, whose home institutes are participating in the project eduroam, DESY offers this wireless guest network connection. For registered user this is a quick and easy way to obtain a secure access to the Internet without any further registration.

WLAN Science-Hotspot

This guest WLAN does not require user registration. Users only have to accept the usage regulations on the portal website of the WLAN network.

Indico and Talk Upload

The homepage of the meeting is available on Indico and includes general information as well as the agenda, maps and relevant material: [Working Group Meeting of COST Action COSMIC WISPerS \(CA21106\)](#).

For speakers, please upload your talk to Indico yourself some time before the session, if possible. For that, if you have a DESY Indico account, please go to [Meeting Page](#) and log in to Indico. On the left there should then be a menu item "My Contributions" under "My Conference". Clicking on this and then on the name of your presentation and finally on the pencil on the right of "Presentation material" will allow you to upload slides from your local computer. If you do not have an Indico account yet, you might be able to use Helmholtz AAI via your institute to log in to Indico (you can choose that as an option from the Indico Login page) and proceed as above. In case neither of these options does work for you, please bring your presentation on a USB stick and contact one of the organisers/chairs of your session, preferably beforehand. In addition, you could send us your presentation via email.

Registration at DESY

The main time for on-site registration is before the first plenary on Thursday from 9:00 to 9:30 am at the help desk in the foyer of the main auditorium of DESY. At the desk, you can also pick up a travel form. Please remember to sign the attendance sheet every day.

Food

We offer coffee breaks during the plenary and parallel sessions of the meetings in the foyer of the auditorium and in front of the seminar rooms. Lunch/Dinner is self-organised and not part of the meeting. The [DESY canteen](#) and cafeteria service in building 9 are currently moved due to renovation. The regular meals and the snack point are served in the tent set up at the rear of the building. You will find a side dish and salad bar in the canteen extension. The cafeteria has moved to the canteen extension as well. In particular for those of you staying at the hostel, it might be important to know that the cafeteria is open from 7 am onwards and offers some breakfast options.

Nearby DESY, there are also several restaurants, e.g. [Panda's kitchen](#), [Il Cortile](#), [Tunici](#), Samarkand or [Panetteria](#).

Contact

If you have any remaining questions related to the organization of the meeting, please contact [Alessandro Mirizzi](#) and -for local organization- [Friederike Januschek](#) or [Axel Lindner](#). Looking forward to meeting you in Hamburg/via Zoom!
