- PUNCH publication policy (list of authors, results page vs Zenodo, publication committee...)
 - Tasks of publication committee: what needs to be reviewed and what not, keep an overview of publications, encourage and assist publications, work out the criteria => invite members of all TAs
 - List of authors => responsibility of authors, criteria of contributions, information on upcoming publication shared early on TA wide
 - “PUNCH4NFDI” community in Zenodo => please register
 - Results page: for service oriented documentation, user manuals etc; other publications in journals or Zenodo could be linked to on the results page
- Mid-term report template: editable version for TA & WP leads available
 - Start entering keywords and short descriptions for your TA in all sections where you see contributions
 - Invitations to TA & WP leads to EB Meetings starting now
- PUNCH4NFDI Unplugged: a week of critical discourse
 - 29 Jan – 2 Feb 2024
 - Possibly have TA-all meetings, otherwise held all the regular TA and WP meetings
 - PUNCHLunch => any creative ideas?
 - MB and EB open at least to all PUNCH members
 - Women4PUNCH, early-career scientists meeting
 - Advocatus Diaboli: invite everyone to ask critical questions as otherwise we might have to answer them in the symposium related to the mid-term report
 - Leave time for critical questions during the meetings!
 - Final event: 8th General Meeting, 6 Feb 2024, 9:00-12:00, virtual
