

Quantum chromodynamics: string theory meets collider physics

Friday 28 September 2007

Plenary session VI - DESY Main Auditorium (09:00 - 11:00)

time	[id] title	presenter
09:00	[31] Heavy Ions - Results and Interpretation	HARRIS, John W.
09:45	[29] String Theory and RHIC Physics: The Fundamental Story	MATEOS, David
10:30	[30] Drag Force and Jet Quenching from AdS/CFT	LIU, Hong
