

# Quantum chromodynamics: string theory meets collider physics

## Friday 28 September 2007

### Plenary session VII - DESY Main Auditorium (11:30 - 12:45)

| time  | [id] title                          | presenter         |
|-------|-------------------------------------|-------------------|
| 11:30 | [26] Spin Physics at RHIC           | VOGELSANG, Werner |
| 12:15 | [35] Diffractive Physics at the LHC | COX, Brian        |
