

# Quantum chromodynamics: string theory meets collider physics

## Thursday 27 September 2007

### QCD Phenomenology - Sem. 2 (14:30 - 16:00)

time	[id] title	presenter
14:30	[10] Heavy flavor production in DIS at $O(\alpha_s^2)$ and beyond	Mr KLEIN, Sebastian
15:00	[6] Large mass expansion in two-loop QCD corrections of para-charmonium decay	Dr HASEGAWA, Kouhei
15:30	[9] Charged Current DIS at three loops	Dr ROGAL, Mikhail
