

DESY CMS - Physics project with CMS and other Open Data

Physics project to be prepared for use at the 2024 CMS Open Data workshop, including the latest data release and/or as a PUNCH4NFDI use case example. Since these will be for real use, details will be fixed when all the boundary conditions are finally known. (could be split into two separate projects if space is left)

Group

FH - CMS

Project Category

B1. Physics Data Analysis and Performance (software-oriented)
