Lunch seminar: Lightsources.org - Science Communication lunchtime session

Thursday 29 August 2024 13:30 (1 hour)

This interactive workshop will be run by science communication professionals from light sources in the US and Europe. Learn from their many years of experience, develop your skills and pick up some Top Tips to enhance your science communication activities.

Cindy Lee, Advanced Light Source (Chair)

Isabelle Boscaro-Clarke, Diamond Light Source

Silvana Westbury, Lightsources.org

Miriam Arrell, Paul Scherrer Institute PSI

Andrea Taylor, Advanced Light Source / Synchrotron Radiation News

Florentine Krawatzek, BESSY II

I plan to submit also conference proceedings
