2. Status of WP 3 activities

2.1 Makarim

- Overview on the status of the document (see attached slides)
- Detailed discussions about all feedback reactions
- Makarim
 - adds a "disclaimer" clarifying that this is a "work in progress" document addressed to PUNCH4NFDI
 - some minor changes
 - Alexander offers support
- Christiane and Hermann will do a final check of the document (in March) and then it will be released by Christiane.

2.2 Pranav

- ---

3. Next steps

- Makarim's contract ends at the end of March.
- Alexander's contract ends in April.
- In emails to Hermann, Pranav mentioned:
 - „Until March, a good set of data should be converted into fits format“
 - „We are thinking of ways to make this data public not keeping it just in the fits format but adding some layer over it such that people from the outside Radio Astronomy would be able to easily access these data and try to visualize and interpret them in a straightforward manner.“

4. AOB

- Next WP-3 meeting
 - Approx. June 2023
