It works on my machine…

A workshop on software testing

DESY FH Sustainability Forum and DESY IT
Hamburg, April 26, 2024

HELMHOLTZ

DESY.

The DESY FH Sustainability Forum

Who we are and what we do

- Working towards making DESY and HEP more sustainable

- Platform for discussions and sharing of ideas

- Organise talks and workshops

- Provide grassroot inputs for management

- Next talks:
  May 6, 16.00h: *About Labos1.5* by Yann Coadou
  May 27, 16.00h: *Reducing the footprint of event generators* by Enrico Bothmann

- Next workshop is on October 8-9 for Beginners

- Covers more basic topics:

  - Sustainable batch system usage

  - Best practices for efficient coding

  - Version controlling, basics of CI

  - …

- If you have ideas for workshop topics or workshops which you'd like to have in the future – let us know!

  - Maybe you're even motivated to prepare an advanced workshop on your expert topic with us…?

- Feedback is always appreciated, so speak up!

Questions?

Have fun!
