

# Science at FELs

## Wednesday 18 July 2012

**Matter under extreme conditions - Auditorium (Bldg. 5) (08:30 - 10:10)**

**-Conveners: R. Redmer**

time	[id] title	presenter
08:30	[25] Matter in extreme conditions with 4th generation light sources	NAGLER, Bob
09:10	[26] Ultrafast non-equilibrium collective dynamics in warm dense hydrogen	HARMAND, Marion
09:40	[27] Dynamic evolution of hole states created by X-ray photo-pumping of dense plasmas with intense XFEL radiation	ROSMEJ, Frank
