PUNCH4NFDI@Open Science Festival, Mainz

- Date: 17 – 18 September: [Open Science Festival, Mainz](#) , Deadline for application June 5
- **1st organizational meeting on May 22**
 - Application for a joint booth with NFDI consortia: NFDI4Chem, NFDI4Culture, NFDI4BIOIMAGE, MaRDI, Base4NFDI, PUNCH4NFDI, NFDI4Objects, KonsortSWD, DataPLANT.
 - We discussed what the stand should contain and if special material/equipment should be requested.
 - Common posters - not single posters?? If desired: how do we want to design a common poster?
 - Examples from [NFDI Poster und Poster für die Herrenhäuser Konferenz 2023](#)
 - Tamina Grasme (NFDI4Objects) will submit the application before 15.06:
 - Short description of the stand for the website (200 words)
 - Additional information for the selected committee
 - Required equipment of the market stand
 - Name of the organization
 - Contact person (s)
 - There will be a next meeting once we have the booking approval and more details about the stand.
- **I would like to encourage colleagues from WP4 to contribute, ideas for demonstrations about Open Data / FAIR Data**
- **Request for EB approval to cover the related costs (poster(s) printing, travel costs for shifters, maybe postal costs for sending material/giveaways/flyers, tablecloth with the PUNCH logo,)**

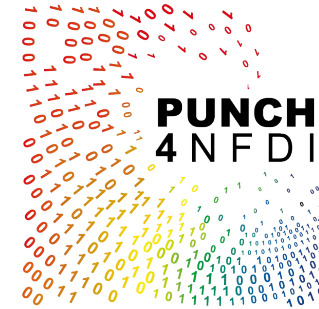

TA7-WP1 Update

- 2-day online [PYA training on Professional Git and Clean Code](#) successfully achieved on 23-24.05.2024
- 13 participants
- A [gitlab group for pya tutorials](#) created to host materials offered in PYA trainings
- Material will be reviewed by the TA7 (leader(s)), checked for license (recommended as open as possible “CC-BY”) and then merged to the public punch results pages.
- A post-training questionnaire developed and distributed to participants for feedback (still running on indico)
