

International Symposium on Very High Energy Cosmic Ray Interactions (ISVHECRI 2012)

Saturday 11 August 2012

Hadronic interaction models - Leibniz-Hall (09:00 - 10:00)

time	[id] title	presenter
09:00	[107] QGSJET-II: physics, recent improvements, and results for air showers	OSTAPCHENKO, Sergey
09:40	[108] Empirical description of rapidity density and transverse momentum distributions at $s^{1/2}=22.4\text{-}7000$ GeV	OHSAWA, Akinori
