

International Symposium on Very High Energy Cosmic Ray Interactions (ISVHECRI 2012)

Saturday 11 August 2012

EAS physics - Leibniz-Hall (10:00 - 14:00)

time	[id] title	presenter
10:00	[109] LHC data and extensive air showers	PIEROG, Tanguy
10:40	[112] Collimation of energetic neutrinos and muons inside EAS cores	CAPDEVIELLE, J. N.
11:00	Coffee break	
11:30	[111] Extensive Air Showers: smoking guns and the backbone	CAZON, Lorenzo
12:10	[110] The interplay between the electromagnetic and the muonic longitudinal profile at production	CONCEIÇÃO, Ruben
12:30	Lunch break
