ECSB updates

Andrea & Lovisa

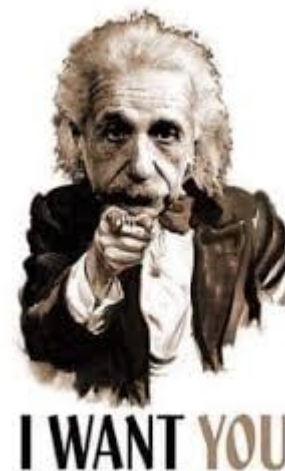

- On August 21st we are gonna meet Beate before the FH staff retreat
- Topics we will bring up:
 - > MFA nuisances and possibility of having dedicated software on PC or Yubikeys
 - > Address statements on military research from DESY Directorate
 - > Discussion on D&I survey + ask for having FH dedicated results
 - > FH stance on Future Colliders:
 - Complete lack of understanding of opinion of young scientists – see Future Collider Workshop + ICHEP
 - > Funding in DESY moving forward
 - > Status of DESY constructions sites for theory building + computing center
 - > NAF support team time to respond is ok, but the migration to EL9 still caused trouble

The representatives

- Andrea stepping down before the FH retreat → new postdoc representative needed
- Please raise your hand and introduce yourself if you want to take the role
- We will proceed with elections if we get more nominees (currently we have 1.5)

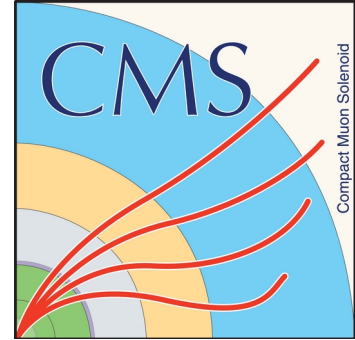

Gen 1 representatives:
Andrea (postdoc) + André (PhD)

Gen 2 representatives:
Lovisa (PhD) + maybe You (postdoc)
